Interior Design • Fit-Out • Office Furniture

Creating high-performance workplaces
across Oman since 2017.

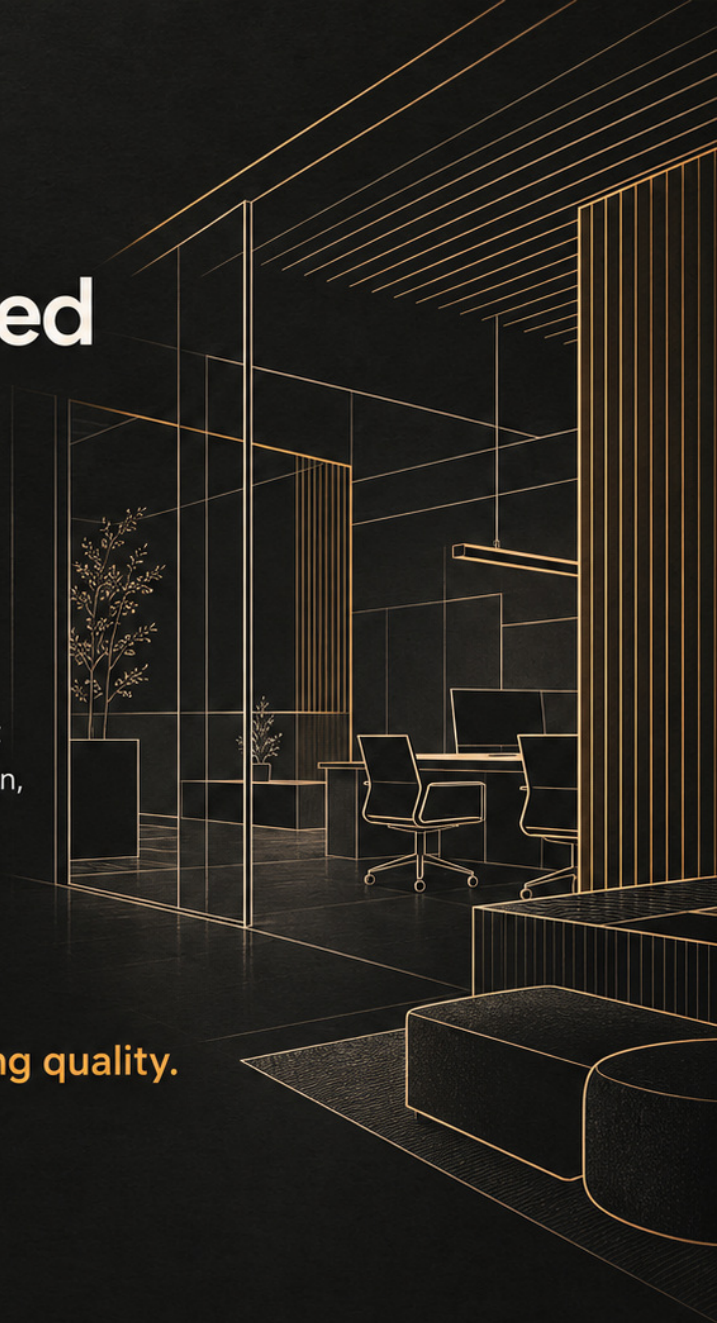

Muscat, Sultanate of Oman | 2026

Workplaces designed to **perform.** Built to **inspire.**

ICON INTERIORS delivers complete workplace solutions across the Sultanate of Oman. From the first concept to final handover, we combine creative design, technical expertise, quality execution, and carefully selected office furniture to create environments that support people, strengthen brands, and improve everyday performance.

Design clarity. Reliable execution. Lasting quality.

WHO WE ARE

Designing workplaces. Delivering confidence.

Established in Muscat in 2017, ICON INTERIORS is a multidisciplinary interior design and fit-out company specializing in corporate workplaces across the Sultanate of Oman.

Our integrated team manages every stage of the project—from workplace strategy, space planning and authority approvals to construction, MEP coordination, custom joinery, furniture installation and final handover.

We approach every project with clear communication, technical control and a commitment to delivering spaces that perform as professionally as the organizations they represent.

ESTABLISHED
2017

LOCATION
MUSCAT, OMAN

SPECIALIZATION
CORPORATE WORKPLACES

One partner. Every stage. Complete accountability.

WHAT WE DO

Complete workplace solutions. One accountable partner.

ICON INTERIORS provides an integrated range of services for corporate offices, enabling our clients to manage design, approvals, execution and furnishing through one experienced and accountable team.

01

INTERIOR DESIGN

Workplace strategy, space planning, concepts, mood boards, 3D visualization and detailed drawings.

02

FIT-OUT

Partitions, ceilings, flooring, painting, glass works, specialist finishes and complete site execution.

03

MEP COORDINATION

Electrical, lighting, HVAC, plumbing, fire and life-safety coordination for functional workplaces.

04

CUSTOM JOINERY

Reception counters, storage, wall features, cabinetry and bespoke furniture manufactured to project requirements.

05

OFFICE FURNITURE

Workstations, executive desks, ergonomic chairs, meeting tables, storage systems and collaborative furniture.

06

PROJECT DELIVERY

Authority approvals, procurement, quality control, site supervision, installation and final handover.

From concept to completion, every detail is coordinated.

WHY ICON

Experience you can trust. Delivery you can measure.

Corporate workplace projects require more than a strong design. They require technical understanding, reliable coordination, transparent communication and a partner who remains accountable until every detail is complete.

250+
**CLIENTS SERVED
ACROSS OMAN**

01

ONE RESPONSIBLE TEAM

A single point of accountability from the first meeting through final handover.

02

DESIGN + TECHNICAL CONTROL

Creative workplace solutions supported by detailed drawings, coordinated services and practical construction knowledge.

03

QUALITY-LED EXECUTION

Carefully selected materials, qualified workmanship and continuous site supervision at every stage.

04

LONG-TERM SUPPORT

Structured warranties, responsive after-sales service and continued support after project completion.

**We do not simply deliver offices.
We build long-term client confidence.**

OUR PROCESS

A clear journey from first conversation to final handover.

Our structured workflow gives clients full visibility throughout the project. Every stage is reviewed, coordinated and approved before moving forward.

01

DISCOVER

We listen, assess the space and define the client's operational, aesthetic and commercial requirements.

02

PLAN

We develop workplace zoning, space planning, circulation and functional layouts.

03

DESIGN

We create the concept, material direction, 3D visualization and detailed design package.

04

COORDINATE

We align architectural, MEP, furniture and authority requirements before execution.

05

DELIVER

Our teams manage procurement, construction, quality control, installation and site supervision.

06

HANDOVER

We inspect, test, document and deliver a completed workplace ready for operation.

Clear stages. Informed decisions. Controlled delivery.

DISCOVER → PLAN → DESIGN → COORDINATE → DELIVER → HANDOVER

BRAND-ALIGNED

DELIVERY

COORDINATED
QUALITY-CONTROLLED
READY FOR OPERATION

Designed around people.

Delivered around performance.

01

DESIGNING FOR CLARITY AND CONNECTION

A workplace shaped around focus, collaboration and identity.

The DNV workplace was developed around a clear and practical planning strategy. Individual work areas support concentration and operational efficiency, while meeting spaces encourage communication, teamwork and informed decision-making.

A refined palette of warm timber, neutral finishes, glass elements and carefully coordinated furniture creates a professional environment that feels open, contemporary and distinctly connected to the DNV brand.

02

03

01

FUNCTIONAL PLANNING

Clear zoning and efficient circulation support productive everyday operations.

02

COLLABORATIVE SPACES

Meeting and shared areas encourage communication, teamwork and flexibility.

03

BRAND INTEGRATION

DNV's identity is incorporated through color, graphics and carefully positioned visual elements.

04

MATERIAL CONSISTENCY

Furniture, joinery, finishes and architectural details follow one coordinated design language.

WARM TIMBER

NEUTRAL FINISHES

BRAND GRAPHICS

Every element contributes to a clearer, more connected workplace.

DETAILS THAT SUPPORT PERFORMANCE

Coordinated materials, furniture and workmanship.

A successful workplace is defined by the quality of its details. Throughout the DNV office, every element was selected and coordinated to support daily operations, visual consistency and long-term performance.

From ergonomic furniture and integrated storage to meeting-room technology, lighting and branded artwork, the completed environment reflects a carefully controlled relationship between design intent and practical execution.

- 01 | ERGONOMIC FURNITURE**
Comfort, flexibility and everyday support.
- 02 | CUSTOM JOINERY**
Integrated cabinetry and organized storage.
- 03 | TECHNICAL COORDINATION**
Lighting, services and furniture precisely aligned.
- 04 | QUALITY FINISHING**
Refined materials, junctions and installation.

PROJECT RESULT

A professional, efficient and brand-aligned workplace delivered ready for operation.

Design intent, translated into every detail.

FUNCTION | COORDINATION | QUALITY

ADVARIO OFFICE

MUSCAT, SULTANATE OF OMAN

CORPORATE WORKPLACE

A contemporary workplace created to support focus, collaboration and confident business performance.

ICON INTERIORS developed a coordinated workplace environment that responds to ADVARIO's operational requirements and professional identity. The project combines efficient planning, refined materials, functional furniture and carefully controlled details to create a workplace that feels clear, contemporary and ready for everyday performance.

SCOPE

WORKPLACE EXPERIENCE

Connected spaces. Consistent design. Confident performance.

The ADVARIO workplace brings together focused work areas, executive spaces, meeting rooms and collaborative environments within one consistent architectural language.

Transparent partitions support visual connection, while carefully planned circulation, coordinated furniture and refined finishes create a workplace that feels professional, open and operationally efficient.

01 CONNECTED PLANNING
Clear relationships between work, meeting and support spaces.

02 VISUAL TRANSPARENCY
Glass partitions maintain openness while supporting privacy.

03 CONSISTENT IDENTITY
Materials, colors and details create one unified workplace character.

04 OPERATIONAL COMFORT
Furniture, lighting and circulation support everyday performance.

Different spaces. One complete workplace experience.

WORK | MEET | CONNECT | PERFORM

OMANTEL EXPERIENCE CENTER

OMAN AVENUES MALL • MUSCAT

RETAIL • TECHNOLOGY • CUSTOMER EXPERIENCE

A technology-driven environment designed to connect people, products and the OMANTEL brand.

ICON INTERIORS developed a contemporary customer-experience environment that combines digital interaction, product presentation and personal consultation within a clear and welcoming spatial journey.

The project integrates OMANTEL's visual identity through branded colors, feature walls, digital displays, custom furniture and carefully coordinated lighting while maintaining an open, accessible and customer-focused atmosphere.

01 BRAND EXPERIENCE

OMANTEL's identity is integrated throughout the customer journey.

02 DIGITAL INTERACTION

Technology and product displays create an engaging retail experience.

03 CUSTOMER CONNECTION

Consultation and seating areas support personal communication.

04 COORDINATED DELIVERY

Branding, furniture, lighting and finishes follow one controlled design direction.

Connecting people, technology and place.

BRANDING

SIEMENS OFFICE

MUSCAT, SULTANATE OF OMAN

CORPORATE • TECHNOLOGY • WORKPLACE

A precise and future-focused workplace designed to support innovation, collaboration and professional performance.

ICON INTERIORS delivered a coordinated corporate environment that reflects SIEMENS' commitment to technology, efficiency and innovation. The workplace combines clear planning, contemporary materials, functional furniture and carefully integrated technical systems within one professional design language.

Focused work areas, meeting rooms and collaborative spaces are connected through efficient circulation, visual transparency and consistent architectural details, creating an environment that supports both individual concentration and team interaction.

01 INTELLIGENT PLANNING

Efficient zoning and circulation create a clear and functional workplace.

02 TECHNICAL INTEGRATION

Lighting, electrical services, technology and furniture are precisely coordinated.

03 COLLABORATIVE WORK

Meeting and shared areas support communication, flexibility and teamwork.

04 CORPORATE IDENTITY

Branding, materials and architectural details reflect SIEMENS' professional character.

Precision in design. Performance in every space.

DESIGN

FURNITURE

ROCHE OFFICE

MUSCAT, SULTANATE OF OMAN

CORPORATE • HEALTHCARE • WORKPLACE

A refined and transparent workplace designed to support focus, collaboration and professional wellbeing.

ICON INTERIORS delivered a contemporary corporate workplace that reflects ROCHE's professional identity through clear planning, natural materials and carefully coordinated architectural details.

Glass-partitioned offices and meeting rooms maintain openness and visual connection, while warm timber finishes, ergonomic furniture and a balanced neutral palette create a calm and highly functional working environment.

01 CLEAR PLANNING

Efficient zoning and circulation support focused and productive operations.

02 VISUAL TRANSPARENCY

Glass partitions connect workplace areas while maintaining appropriate privacy.

03 MATERIAL WARMTH

Natural timber and neutral finishes create a welcoming professional atmosphere.

04 WORKPLACE COMFORT

Furniture, lighting and spatial details support everyday employee wellbeing.

Clarity in planning. Comfort in every detail.

ADJUSTMENT FEATURES

DESIGN + BUDGET

Better support. Better focus. Better performance.

ERGONOMIC SEATING

EXECUTIVE • TASK • MEETING • COLLABORATIVE

Seating designed to support people throughout the working day.

Comfortable seating is essential to a productive workplace. ICON INTERIORS helps clients select professional office chairs according to working hours, employee requirements, adjustment features, interior design, durability expectations and project budget.

Our seating range includes executive, operational, meeting, visitor and collaborative models with options for different body types, workplace functions and design environments.

01 LUMBAR SUPPORT

Designed to support the natural curve of the lower back during extended use.

02 ADJUSTABLE HEIGHT

Allows users to coordinate seat height with the desk and working position.

03 SYNCHRONIZED MOVEMENT

Selected models provide coordinated seat and back movement for dynamic sitting.

04 ADJUSTABLE ARMRESTS

Support the arms and shoulders according to the user's working posture.

05 BREATHABLE MATERIALS

Mesh and selected upholstery options improve comfort during long working periods.

06 STABLE MOBILITY

Quality bases and smooth castors provide stability and controlled movement.

Features and adjustment mechanisms vary according to the selected chair model.
Warranty periods vary according to chair model and approved manufacturer.

WORKSTATIONS & OPERATIONAL FURNITURE

PRODUCTIVITY • FLEXIBILITY • EFFICIENCY

Flexible furniture systems planned around people, technology and workplace performance.

ICON INTERIORS provides professional workstation solutions configured according to employee numbers, departmental requirements, available space, privacy needs, technology, storage and future workplace growth.

From individual desks and compact team clusters to complete open-plan systems, every configuration is planned to improve circulation, organization, communication and everyday operational efficiency.

01 FLEXIBLE CONFIGURATIONS

Individual, linear, back-to-back and clustered workstation arrangements.

02 EFFICIENT SPACE USE

Planned dimensions maximize space without compromising employee comfort.

03 PRIVACY SOLUTIONS

Desk screens and acoustic dividers support concentration and visual privacy.

04 INTEGRATED TECHNOLOGY

Power, data and cable management keep work surfaces organized.

05 COORDINATED STORAGE

Pedestals, cabinets, lockers and shared storage support daily organization.

06 FUTURE ADAPTABILITY

Modular systems support workplace changes and future reconfiguration.

Final quantities and configurations are coordinated according to approved layouts, operational requirements and selected product ranges.

Warranty periods vary according to product category and approved manufacturer.

MEETING & CONFERENCE FURNITURE

COLLABORATION • TECHNOLOGY • DECISION-MAKING

Professional meeting environments designed for clearer communication and confident decisions.

ICON INTERIORS provides coordinated meeting and conference furniture planned according to room dimensions, seating capacity, meeting format, presentation technology, acoustics and corporate design identity.

From compact discussion rooms to executive boardrooms, every table, chair, storage unit and technology component is selected as part of one functional and visually consistent meeting environment.

01 BOARDROOM TABLES

Premium configurations for executive meetings and strategic decisions.

02 FLEXIBLE CAPACITIES

Solutions for small discussions, medium teams and large conference rooms.

03 TECHNOLOGY INTEGRATION

Power, data, displays and video-conference requirements are coordinated.

04 CABLE MANAGEMENT

Integrated channels maintain organized and professional table surfaces.

05 COORDINATED SEATING

Chairs are selected for comfort, capacity, design and expected usage.

STORAGE & ORGANIZATION SYSTEMS

ORGANIZATION • SECURITY • EFFICIENCY

Storage solutions designed to keep professional workplaces organized, accessible and efficient.

ICON INTERIORS provides coordinated office-storage solutions planned according to document volumes, employee requirements, available space, security levels, workplace functions and interior design.

From personal pedestals and filing cabinets to executive credenzas, employee lockers and full-height storage walls, every system improves organization while maintaining a clean and consistent workplace appearance.

01 OFFICE CREDENZAS

Low units supporting executive, meeting and shared workplace areas.

02 FULL-HEIGHT CABINETS

High-capacity solutions for documents, supplies and equipment.

03 EMPLOYEE LOCKERS

Secure personal storage coordinated according to team size and planning.

04 MOBILE PEDESTALS

Compact personal storage positioned beneath or beside workstations.

05 FILING SOLUTIONS

Organized systems for efficient document access and long-term use.

06 CUSTOM CONFIGURATIONS

Dimensions, divisions, finishes and locks coordinate with project needs.

Customization is subject to selected ranges, approved materials, locking systems and project requirements.

COLLABORATIVE & BREAKOUT FURNITURE

CONNECT • CREATE • COLLABORATE

Flexible furniture settings designed to bring people, ideas and everyday workplace activity together.

ICON INTERIORS provides collaborative and breakout-furniture solutions planned around team activities, informal meetings, employee wellbeing, available space, acoustic requirements and workplace culture.

From high collaboration tables and mobile seating to acoustic booths, modular lounges and informal meeting settings, every element supports different ways of working within one coordinated environment.

01 COLLABORATIVE TABLES

Shared tables support teamwork, short meetings and group activities.

02 MODULAR SEATING

Flexible components arranged according to space, capacity and activity.

03 ACOUSTIC SOLUTIONS

High-back seating creates comfortable areas for focused conversations.

04 INFORMAL MEETINGS

Relaxed settings support quick discussions and spontaneous collaboration.

05 MOBILE FLEXIBILITY

Selected furniture can be repositioned for changing workplace activities.

06 MATERIAL + COLOR

Upholstery and finishes coordinate with the workplace identity.

Configurations, upholstery and acoustic features vary according to the selected furniture range and project requirements.

Warranty periods vary according to product category and approved manufacturer.

QUALITY, WARRANTY & AFTER-SALES SUPPORT

SELECTED WITH CARE • INSTALLED WITH PRECISION • SUPPORTED WITH CONFIDENCE

Our responsibility continues long after the furniture has been delivered.

ICON INTERIORS supports every furniture project through careful product evaluation, approved specifications, coordinated delivery, professional installation and structured after-sales service.

Our team remains available to assist with product information, installation adjustments, warranty coordination, replacement components and future furniture requirements.

01 PRODUCT QUALITY

Furniture is evaluated according to function, materials, durability, workmanship and approved project requirements.

02 SPECIFICATION CONTROL

Models, quantities, finishes, dimensions and configurations are reviewed before procurement and delivery.

03 PROFESSIONAL DELIVERY

Furniture is scheduled, handled and delivered according to site readiness and the approved installation program.

04 SPECIALIST INSTALLATION

Products are assembled, positioned, adjusted and inspected by experienced installation teams.

05 WARRANTY SUPPORT

Eligible warranty matters are coordinated according to the approved manufacturer's terms and product category.

06 AFTER-SALES SERVICE

Our team supports adjustments, maintenance guidance, spare components and future requirements.

LONG-TERM ACCOUNTABILITY

**Delivered professionally.
Supported responsibly.**

Every request is reviewed according to the supplied product, warranty conditions and required technical support.

Warranty periods and coverage vary according to product category, approved manufacturer and agreed commercial terms.
